

# *Attention:* Ladies Who Lunch!

Make your lunch not just filling, but *fulfilling*!

We invite you to a very special luncheon!

Terri Gilliland, Kenosha author of *In a Moment*, will share her life-altering story of going blind, having her husband survive a near-fatal motorcycle accident that left him with a permanent brain injury, and supporting her 15-year-old son when he was diagnosed with brain cancer. It's a true and powerful account of one woman's roller coaster life filled with pain, struggle, love, and triumph.

Terri will speak openly about how to communicate respectfully and effectively with individuals with disabilities. You'll come away feeling empowered, inspired, grateful, and humbled. . . . everything but empty.

Terri will sign copies of her book immediately following the luncheon.
